300<sup>th</sup> ANNIVERSARY

# Foreword

It is a joy for the class of nineteen-hundred and fifty-five to record in this book the most precious past experiences of our high school days.

Our tasks have been made more pleasant in that this book has appeared in the year marking the three-hundredth anniversary of the Town of Billerica, to which we owe so much. We are proud to be a part of a town with a background and history of three hundred years.

We write not for the present, but for the future. When these tangible things have become distant and elusive, this record of personal attainment may recall to us the pleasant associations and friendships of our high school days and the dreams of youth.

TRUDY GASSER

*Yearbook*  
*Dedication*

*Class of 1955*

To our class advisor, whose interest,  
unstinted friendliness, and unfailing  
patience and understanding have  
directed us through our four  
years at Howe High School—

and

To one who kindled the spark of the  
yearbook staff and who has been our  
friend and the inspiration of our  
endeavors in the development  
of our yearbook—

to

MISS DOROTHY RICHARDSON

and

MISS MARY DAVIS

this yearbook is dedicated with the affection,  
admiration, and appreciation of the Class of 1955.

To the Class of 1955:

To the members of each new Graduating Class comes the old, but ever-new problem: "How should I use the years that stretch ahead?" According to the wisdom you use to solve that problem, will your own future be rewarding and satisfying. May your four years in high school help you to meet that problem wisely and well.

GEORGE S. GOODELL  
*Superintendent of Schools*

To the Class of 1955:

For twelve years you have been working to attain the victory which is now yours. During this time you have encountered moments of despair, laughter, worry and success. Your goal has been graduation; you have succeeded in reaching that goal.

The characteristics and attitudes you have shown during this your public school career will be an aid or a hindrance to you as you meet life's challenge.

For each of you as you meet life's challenge I sincerely wish a life of challenge, success and happiness, and the ability to make your life a worthwhile one.

Life is a challenge. Can you meet it?

# *Class History*

In the hearts and minds of the boys and girls of the class of 1955, the many memories of the years they spent at Howe High School are recalled.

I think all of us would look back to our Freshman year with our officers: President, William Frevold; Vice President, Roland Conway; Secretary, Hazel Arrington; and Treasurer, Judy Martinson.

Our first class social was the dance "Spring Frolic"; which was under the guidance of our class advisor, Miss Richardson. Next was our class trip to Silver Lake, Hollis, New Hampshire.

Now we will take a step up the ladder into our Sophomore year. Our class officers for this year were: President, Joseph Head; Vice President, Roland Conway; Secretary, Martha Perreault; and Treasurer, William Frevold.

This year we have our dance in October, and very fitting to the time of year, its title was "Harvest Moon." Miss Richardson also lent a willing hand of guidance this year.

Another step up the ladder and we are in our Junior year, with our officers this year being: President, Roland Conway; Vice President, Kenneth Spoones; Secretary, Helen Lee; and Treasurer, Martha Perreault.

We had our Junior Prom "Showboat Magic" this year. Helen Lee was chosen queen and her attendants were: Bette Haring, Arlene Musgrave, Jo-Ann McNulty, Dorothy Trial, Martha Perreault, Joan Maxfield, Roberta Kennedy, and Joan Newman.

We are now on the top rung of the ladder of our high school years—SENIORS! Our officers are as follows: President, Roland Conway; Vice President, Dean Turnbull; Secretary, Helen Lee; and Treasurer, Joan Maxfield. Miss Richardson is still our advisor.

Our Senior Play was the first on the list of activities for this year. The play, "Our Hearts Were Young and Gay," starring Carol Riecks, Claire Gadbois and a fine supporting cast was a success.

The girls all joined Tri Delta with great pride in being members. Senior pictures were taken and the Yearbook was started. Our Senior Prom was next on the list being called "The Sweethearts Ball." Joan Maxfield was chosen queen with Joan Newman, Jean Desrosiers, Dorothy Simmons, and Bette Haring as attendants.

Last but far from least comes the great day, GRADUATION!

## *The Seniors' Prayer*

O Lord, help us Seniors as we leave  
Our high school days behind;  
Please let us know the paths to cleave  
And help us truth to find.

Our teachers lead us along the way  
And taught us right from wrong.  
And now to thee, O Lord, we pray  
To make our wills more strong.

We pray for guidance in the life  
That we begin today.  
We pray that we may avoid such strife  
That lead the best astray.

Bless us, O Lord, that we may be  
Good citizens---admired  
For truth, honor, integrity---  
In use of knowledge acquired.

*Trudy Haarer*

## *Farewell Address*

It is my special privilege, on behalf of my fellow classmates, the graduating class of 1955, to bid farewell to Howe High School.

As we step through the doors into the future, we stand firmly impressed and molded through our years at Howe High School. We cannot possibly attempt to express our gratitude to our teachers, coaches, and advisors, to which, we have become indebted; to our teachers for their patience and understanding; to our coaches who taught us the spirit of athletic cooperation and good sportsmanship; and to our advisors for their advice and counsel.

There is a great task ahead of us, and we realize the problems that face us. For us, there is much to accomplish. With the knowledge we have attained and the helping hand of God, we say farewell to Howe High School and all its treasured memories, to make a greater and better world for all to live in.

WARRIOR

Howe High's football squad was an exceptionally good one this year—not only because of outstanding players such as Fred Ingersoll, Roland Conway, Ken Spooner, Herbert Busch and others, but, also because of their spirit of sportsmanship and earnest desire to win despite the greater strength of some opponents.

With the continued inspiration of Coach "Charlie" Lampson and his capable assistants, we are confident that the Howe High Warriors of 1955 will bounce back into the winning lineups.

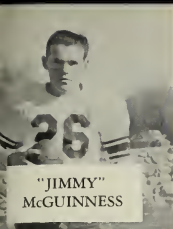

Scores for 1954 are as follows:

## *Cheerleaders*

The cheerleaders started off the year with a very successful Record Hop held on September 17, 1954. The disc jockeys were Bob Perry and Ugo San Antonio. The cheerleaders performed at this dance wearing their new uniforms—forest green corduroy, princess style, with white collars and cuffs. The captain's and mascot's uniforms were white, trimmed with green collars and cuffs.

They were led by their head cheerleader, Arlene Musgrave. The members of the squad were: Helen Lee, Joan Maxfield, Jo Ann McNulty, Carole Nadeau, Jeanne Desrosiers, Joan Newman, Anne O'Brien, Molly Gleason, Patricia Treworgy, Pat Turner, Carole Waitkus and the mascot, Mary Connolly. The manager was Helen Neiss and their coach was Mrs. Royal Adams. We all agree they did a fine job of cheering for our team:

Senior Play

The Tri Delta signifies the three "d's": duty, deference, and decorum.

The officers elected were as follows: President, Constance Christle; Vice President, Helen Lee; Secretary, Martha Perreault; Treasurer, Edith Turnbull. Dorothy Trial was elected Hospitality Chairman assisted by Patricia O'Day. Each Senior home room has a representative. They are Marlene Wagner, Joan Maxfield, and Betty Anderson.

The Tri Delta sponsored a dance in October and had Bob Merman as disc jockey. In November the girls went on a Hayride. December was a busy month because a Christmas Party was planned and also the filling of two Christmas baskets. Most of the girls went to the Ice Follies on February 17 and a few teachers were invited.

The Tri Delta girls wish to extend good luck to the Class of 1956 and hope that they will have as happy a Senior year as we have had.

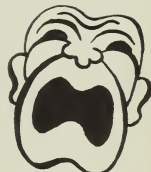

## *Our Hearts Were Young and Gay*

Sitting, left to right: Janice Rumrill, Carol Riecks, David Ensor, Constance Christle, Nancy Fowler, David Moon, Patricia O'Day. Standing: John Wetherbee, Claire Gadbois, Edward Bunker, Martha Perreault, Helen Lee, Joan Maxfield, Joseph Head, George Blaisdell, Dean Turnbull, Herbert Busch. Not shown is Irene Cameron.

On November 19, 1954, the Senior Class presented their annual play, *Our Hearts Were Young and Gay*, a comedy in three acts by Cornelia Otis Skinner and Emily Kimbrough. Under the able supervision of our director, Miss E. Ruth Belcher, the play proved to be a successful undertaking.

We, the class of 1955, extend to Miss Belcher our sincere thanks for her expert directing and untiring perseverance in ensuring the great success of *Our Hearts Were Young and Gay*. To the class of 1956, we extend our best wishes for a successful production of their Senior Play.

## *Special Chorus*

The special chorus under the direction of Mr. Santos and Mrs. Johnson is one of the newest groups formed at Howe High School.

Rehearsals were held on Tuesday evenings. The chorus has performed at the Nineteen Hundred Club and the Three Hundreth Anniversary of the Town of Billerica.

The following are shown in the picture: Marlene Wagner, Rena Stetson, Bette Stetson, Nancy Weeks, Betty Anderson, Jean Graham, Joyce Lee, Judy Ericson, John Denman, Gordon Drydon, William Melvin, Isabel McGuire, and Nelson Bruce.

We hope to have a bigger and better chorus next year.

## *G.A.A.*

G.A.A. Officers: President, Edith Turnbull; Vice President, Joan McLaughlin; Secretary-Treasurer, Anne O'Brien; Intramural Chairmen, Dorothy Beaulieu and Janice Ericson.

Class Managers: Senior, Judith Ericson; Junior, Ellen O'Neill; Sophomore, Barbara McGurn; Freshman, Pauline Dempsey.

The Girls' Athletic Association (G.A.A.) is sponsored by our well-known basketball coach, Miss Hood. Each girl that participates in any extracurricular girls' athletic contest will receive a certain number of points per activity. These points will be accumulated over a four-year period. When an individual has attained a certain number of points, she will receive the award given for earning that designated number of points.

Chenille letters are given for participation on varsity teams. A G.A.A. trophy is awarded to a senior girl with the greatest number of points for superior, athletic achievement.

### SCIENCE CLUB OFFICERS

<i>President.....</i>	RICHARD DUNSTAN
<i>First Vice President.....</i>	WILLIAM SMITH
<i>Second Vice President.....</i>	GEORGE BLAISDELL
<i>Co-Secretaries.....</i>	JANET McDONALD

<i>Treasurer.....</i>	NANCY SCHMIDT

The Billerica Science Club was formed in September, 1954. Mr. Archambault and Mr. Luciano were the moderators. It was decided that the name of the club be "Beta Sigma Gamma." It was also decided that an award to be presented to the top ranking student in the field of science; this award to be presented at graduation. Many good times were had by all the members, which included speakers, films, field trips, and parties. A Science Fair was also planned, taking place some time in April; the prize winners being sent to the Globe Science Fair in Boston. It is hoped that the Science Club will have a successful a year in the future as it has had this past scholastic year.

## *Newspaper Staff*

The first issue of the "Howe Tribune" came out in November, 1954. The co-editors were Elaine Cormier and Judy Parkhurst. The paper was, on the whole, a success. This was due to the hard work put into it by the editors. It was the first year that the newspaper was printed instead of mimeographed. The members of the staff wish to thank the students for their cooperation in making the paper a success.

Having given a pictorial and literary review of our high school career, we leave, seeking our place in the great future before us.

But before we leave, we wish, last but not least, to pay tribute to a man who played a great role in guiding us successfully through our first two years at Howe High. It is with pleasure and with fond memories that we dedicate this last page of the 1955 CHIEFTAIN to our former principal, teacher, friend, and neighbor . . . Mr. Cyril D. Locke.
